

CERTIFICADO DE CALIDAD

PIEZAS DE RECAMBIO CON LA MISMA CALIDAD QUE EL EQUIPO ORIGINAL

Por el presente certificamos que, cuando elige un cristal de recambio de marca AGC Automotive Replacement Glass, tiene la seguridad de que adquiere un producto de gran calidad. Todos los cristales de recambio de AGC están homologados conforme a las últimas revisiones oficiales del Reglamento UN R43, la Directiva Europea 92/22 y la norma estadounidense ANSI Z.26.1.

Estos cristales de recambio de marca AGC cuentan con el respaldo del fabricante líder mundial de cristales para equipos originales del sector de la automoción. La fabricación tiene lugar en plantas que cumplen la normativa internacional para el sector automovilístico ISO/TS16949 conforme a las especificaciones técnicas y de calidad para cristales de fabricantes de equipos originales que se instalan en los vehículos nuevos. Desde el punto de vista de la calidad, pueden ser considerados piezas de recambio originales o equivalentes.

Quality certificate

This is to certify that all replacement glazing produced by Saint-Gobain Sekurit, and therefore carrying the Sekurit logo, are manufactured using the same specifications and production standards as Original Equipment used in the assembly of vehicles. Therefore, these glazing of the same quality as OE parts are “Original Spare Parts”.
